APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit to change the point of diversion, manner and place of use of the waters of an underground source as heretofore granted under Permit No. 12869, is issued subject to the terms and conditions imposed in said Permit No. 12869 and with the understanding that no other rights on the source will be affected by the change proposed herein. A meter must be installed in the discharge pipeline, near the point of diversion, and accurate measurements must be kept of water placed to beneficial use. It is understood that this right must allow for a reasonable lowering of the static water level at permittees well due to other ground water development in the area. This source is located within an area designated by the State Engineer pursuant to NRS 534.030; therefore the State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not

to exceed 0.5 cubic feet per second, the lands under this permit are also irrigated from wells under Permit Nos. 18264 and 18265, and the total diversion on the land from all three wells shall not exceed 800 acre-feet annually.

Actual construction work shall begin on or before June 4, 1960

Proof of commencement of work shall be filed before July 4, 1960

Work must be prosecuted with reasonable diligence and be completed on or before June 4, 1961

Proof of completion of work shall be filed before July 4, 1961

Application of water to beneficial use shall be made on or before June 4, 1962

Proof of the application of water to beneficial use shall be filed on or before July 4, 1962

Map in support of proof of beneficial use shall be filed on or before July 4, 1962

Commencement of work filed MAY 25 1961

Completion of work filed JUN 5 1961

Proof of beneficial use filed JAN 21 1963
